Fee Calculations

Please review the attached Fee Itemization Form, which provides a line-by-line summary and explanation of the fees that the St. Louis Public Schools may charge in response to a request, pursuant to Section 4 of the Act (MCL 15.234(1)).

Avenues for Challenge and Appeal

If the requestor believes the fee estimated or charged for the request exceeds the amount permitted under the St. Louis Public Schools' procedures and guidelines or Section 4 of the Act, the requestor must:

- a. Submit to the Superintendent a written appeal for a fee reduction that specifically states the word "appeal" and identifies why the requestor believes the required fee exceeds the amount permitted under the St. Louis Public Schools' procedures and guidelines or Section 4 of the Act. If the requestor disagrees with the St. Louis Public Schools' final determination, the requestor may, after exhausting internal administrative remedies, commence a civil action in Circuit Court where the St. Louis Public Schools is located for a fee reduction. The civil action must be filed

within 45 days of the public body's final determination to deny a request pursuant to Section 10(1)(b) of the Act.

Any written response denying a request for a public record, in whole or in part, is a final determination to deny the request or portion of that request. A requestor may file an appeal with the Superintendent or may seek judicial review of the denial, pursuant to Section 10 of the Act (MCL 15.240). A requestor may receive attorneys' fees and damages pursuant to the Act if the Court determines that the St. Louis Public Schools has not complied with Section 5 (MCL 15.235) of the Act and orders the disclosure of all or a portion of a public record.
